The rooms are located in Historic German Prisoner of WWII Barracks. The rooms have been remodeled of course and will have central air and heat. They are small with linen for the beds, pillows and towels. There are places for hot showers etc in the barracks. A break room is provided with coffee makers and microwave for hot tea, coffee or cocoa in the mornings in the barracks. The Visitor Center will serve the meals and provide the room for the lectures and workshops and is 200 yards or less from the barracks. A field trip is planned for source study. Please bring warm clothes and comfortable shoes for this school. You may call and bring your check with you if you like but please let us know as all meals are provided and need to be planned. We suggest you arrive on the 15th for an evening meal and a class and a workshop which will be fun and educational. The morning of the 16th and 17th a breakfast will be served and the classes will start at 8:30 AM. Please plan to attend this fun and educational NGC School. Last minute registration will be fine...just call and let us know you are coming. Bring your favorite drinks and snacks. RV hookups are \$20 per day if you chose to go that route. We are going on a field trip to learn about and study the need to care for the environment.
