Environmental School Summer 2022 COURSE IV- WATER

July 15-17th Plan to arrive the evening of the 15th 6^{pm} dinner served 6-8

The rooms are located in Historic German Prisoner of WWII Barracks. The rooms have been remodeled of course and will have central air and heat. They are small with linen for the beds, pillows and towels. There are places for hot showers etc in the barracks. A break room is provided with coffee makers and microwave for hot tea, coffee or cocoa in the mornings in the barracks. The Visitor Center will serve the meals and provide the room for the lectures and workshops and is 200 yards or less from the barracks. A field trip is planned for source study. Please bring cool clothes and comfortable shoes for this school. You may call and bring your check with you if you like but please let us know as all meals are provided and need to be planned. We suggest you arrive on the 15th for an evening meal and a class and maybe a workshop will be conducted on saving our resources which will be fun and educational. The morning of the 16th a breakfast will be served and the classes will start at 8:30 AM. Please plan to attend this fun and educational NGC School. Last minute registration will be fine...just call and let us know you are coming. Bring your favorite drinks and snacks. RV hookups are \$20 per day, if you chose to go that route. We are going on a field trip to study water quality.

LOCATION: Historic Old Fort Parker is located 1 miles west of State Highway 14 on Park Road 35. State HWY 14 is the Highway between Groesbeck and Mexia.

If you come from the Groesbeck on HWY 14 ... Park Road 35 is 4 miles north of Groesbeck and is a left turn going west off State HWY 14.

If you are coming from Mexia on HWY 14...Park Road 35 is about 7 miles south of Mexia and is a right turn going west off State HWY 14. Do not turn into the Fort Parker State Park 6 miles south of Mexia...go one mile further and turn on Park Road 35.
